

Directions from Route 17

From Route 17 N: Exit at Lake Street, Ramsey. Either of the immediate lefts – the first or the second brings you into our complex. Do not go through the traffic light – you're too far.

If making the first left, pass the buildings on the left and left into the parking lot before the stop sign exiting the complex. If you miss the first and make the second turn onto Spear Street, follow the curve to the left and make the first left at the Office Court sign and immediate right into the parking light behind the sign.

We are at the end of the parking lot. Follow the path at the end straight to our door.

From Route 17 S: Exit on the 2nd Lake Street exit under the Route 17 overpass, follow the curve up and over the highway, and make a left at the first light onto Lake Street. It's deceiving as if you go through the light you will be on East Crescent, not on Lake.

Once you make the left at the light onto Lake Street, make the first right onto Spear Street, follow curve to left and first left at the Office Court sign, then immediate right to first parking lot. If you miss the turn onto Spear, make second right into Office Court complex, follow buildings on left and then make left into last parking lot before exiting at stop sign.

Directions from GS Parkway N

Exit on Grand Avenue in Montvale. Left at the light onto Grand, and stay on Grand for about 9 minutes. It will take you to a light where there's a slight downhill, sign for Route 17 ahead and a TD Bank on the right. When you cross through the light, follow the directions in the last paragraph above. Do not get on to Route 17.
